Workplace Safety Essentials

Date and Time: Wednesday, April 15 9:00 am - 10:30 am

Address: 200 Lakeview Crt (Upper level) Orangeville, ON L9W 5J7

Who should attend?

Small business owners with employees and contractors working in construction or skilled trades who are looking to enhance their workplace safety and compliance.

What to expect?

Do you know how to keep your workplace safe? Whether you're a small business owner, skilled trades contractor, or working in the construction industry, workplace safety is a must. This practical session brings together essential safety practices and introduces a powerful free tool to streamline your compliance efforts.

What you'll learn:

• **Know Your Role:** Understand the safety responsibilities of employers, managers, and employees under the Occupational Health & Safety Act.

• **Spot and Solve Hazards:** Identify common workplace safety risks and take action before they become incidents.

• **Leverage a Free Tool:** Get hands-on with a customizable Employee Health & Safety Handbook Generator.

This workshop will be led by Stella Nicastro-Greenough, an account representative from Workplace Safety & Prevention Services (WSPS).
